SilkPeel DermalInfusion is the first patented treatment to combine non-invasive exfoliation with deep delivery of skin specific topical solutions to improve and revitalize your skin. It is a soothing, fast and painless treatment, also unique because it does not use crystals or other abrasive particles. Silkpeel effectively treats all skin types and addresses a wide range of dermatological conditions:

- Dehydration (flaky skin & fine lines)
- Hyperpigmentation
- Acne

Helpful Tip: Did you know.....

The proper order for application of skin care products: 1.medication 2.moisturizer 3.sunscreen 4.facial foundation 5.powder and finally blush and other color cosmetics.
